

Built On A **Strong** Foundation

Broadmoor Development builds apartment homes for people in Omaha, Lincoln, Bellevue, and several cities in Iowa. Their stable of properties and cities in which they build continues to grow due to their philosophy to be “so much more than a place to store your stuff and park your car.”

Chief Financial Officer Larry Kelberg appreciates that First Westroads Bank embraces this same philosophy. “They have never been just a place to deposit money,” he said. “First Westroads Bank understands our business model, our business goals, and the timing related to both. Through the years they have been here for us with the right products and services at the right time.”
